

MEENAKSHI MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE

ACTION TAKEN REPORT FOR MBBS

2021 - 2022

Suggestions	Feedback given by	BOS MOM Date	Resolution Number	Action Taken
<p>Internal assessment pattern and university assessment pattern are not similar leading to confusion.</p> <p>Must know areas in each subject should be given in the beginning of academic year</p> <p>Lecture sessions could be made more interactive and activity based</p>	Students	37 th BOS 08.06.2022	37.10	<ul style="list-style-type: none">• All departments were instructed to design internal assessments in the same pattern as university exams.• Academic calendar, class schedules with objectives are included in the course handbook and issued to the students.• Frequent Faculty Development Programs is conducted to address this issue. Activity based learning is followed by many departments.
<p>Online platform for teaching learning and assessment to be updated</p> <p>Teachers should be given more freedom to use innovative teaching learning methods</p>	Teachers	37 th BOS 08.06.2022	37.10	<ul style="list-style-type: none">• E- Learning platforms in the form of LMS is launched and utilized by both faculty and students as teaching learning tools and also for assessment.• Training the trainers sessions are conducted. Teaching faculty were introduced to many Innovative teaching

				<p>methods.</p> <ul style="list-style-type: none"> Teachers are also encouraged to publish papers on innovative teaching methods
<p>More field visits should be encouraged</p> <p>Career guidance sessions to be initiated right from phase I and repeated every year.</p>	Alumni	37 th BOS 08.06.2022	37.10	<ul style="list-style-type: none"> The institute has made many MOU proposals to enable students to get maximum exposure in areas like cancer Institute, sewage disposal plants, Slaughterhouse and water treatment plants. Regular career guidance sessions are being conducted for students every year by the institution.
<p>Assessment pattern to be modified right from phase I, since most of the licensing exams are MCQ based with more of problem based questions</p> <p>Certain obsolete practical methods in basic science subjects could be removed.</p>	Professionals	37 th BOS 08.06.2022	37.10	<ul style="list-style-type: none"> Problem based MCQs are included both in formative and Summative assessment. Certain obsolete practicals are converted into Demonstration practical and are not included for assessment
<p>Leadership and team work should be promoted</p>	Employers	37 th BOS 08.06.2022	37.10	<ul style="list-style-type: none"> Team work such as group projects, role play, model making are encouraged to develop group dynamics. Also courses on Leadership and conflict management are offered to students. Students are encouraged to

Tech- savvy				take up online courses to get themselves updated on Computers and technology.
