## ANNUAL REPORT OF EXTRA-CURRICULAR EVENTS OBSERVED

MAHER has adopted the tradition of observing national and international commemorative days and festivals to celebrate tradition, culture, and heritage with happiness, peace, and harmony and also as a sign of respect for our leaders, to recognize the accomplishments of notable individuals, and uphold the nation's cultural legacy. The following are the clubs that organize and conduct cultural events/ awareness programs in MAHER and its constituent colleges.

Members of Music club, Drama club, Heritage club and Fine arts club along with Student's council organize and conduct cultural events that involve all students and faculty. Additionally, they initiate celebrations on special days and festivals to motivate the thought of inter-cultural harmony.

MAHER does a number of actions that support preserving religious harmony. Following the vacation schedule published by the Tamil Nadu government, MAHER declares holidays on all religious festivals. Also, holidays like Christmas, Pongal, and Ayutha Pooja are celebrated on campus where all students, regardless of religion, participate and have a good time, demonstrating the religious unity in MAHER.

Members of Electoral club regularly conduct awareness programs to instill the importance of voting, the democratic rights and responsibility attached to it and encourage students to enroll in the voters' list upon attaining 18 years of age. Special population such as people living in rural areas, to be first time voters and illiterate people are focused in these awareness drives. Members of Language clubs and Literary club initiate debate competitions on special days like Constitution day, Heritage day, Unity day etc., which aid in enhancing the communication skills and critical thinking of students.
