ISO 21001 CERTIFICATION

**MAHER - Deemed to be University
is now ISO 21001:2018 certified.**

ISO 21001 is a quality management system that aims to standardize education management to ensure it meets learners' needs. It's intended to help schools; colleges, training providers and other educational organizations implement best practice. In today's day and age, organizations want to be known for adhering to quality assurance and manufacturing standards.. ISO certification guarantees that an organization meets the global standards.

**ASIA BOOK OF RECORDS**

PROJECTS

Under the Research Promotion Policy, 200 number of seed money grants has been sanctioned to the Faculty members of MAHER and its Constituent Colleges. Total amount of nearly 75,000 has been granted by MAHER to its Faculty member as an encouraging and inspiring start-up to carry out innovative research.

The Faculty members of MAHER has received 10 Consultancy Projects from Non-Government Organizations such as Genetika (Kerala), eFutureSoft (Chennai), Armats Biotek (Chennai), Synergy Scientific Services (Chennai), Biotyc (Chennai), Mind Ray (Chennai), Clinsol solutions (chennai).

PATENTS

Large number of patents in the field of Dentistry and Yoga has been filed. 6 Copyrights has been filed, which adds on to the tribute of MAHER.

AWARDS/RECOGNITIONS

Dr. Josephine, Scientist, from CRL has been recognized as a consultant at Genetika Private Limited, Trivandrum, Kerala.

PUBLICATIONS

MAHER and its constituent Colleges have published nearly 25 research articles in Science Citations / SCOPUS / Web of Science.

PHD ADMISSIONS

In January 2022 session, 52 Students joined for the Ph.D. programme in various disciplines.

PH.D. DEGREE AWARDED

From January to March 2022, 6 students have been awarded Ph.D. Degree and 4 Ph.D. students have submitted their Thesis and 11 Ph.D. students has submitted their Synopsis.

EVENTS ORGANIZED BY CRL:

CRL of MAHER has organized an ONLINE WEBINAR on the occasion of “International Women’s Day” on 7th January 2022 on the topic “Diversity and Inclusion for a Better Student Life”. The Event was graced by Ms. Madhumitha Gomathinayagam, India’s First Transgender HR Professional. Awareness was created among the minds of the participants about the gender change and way forward to a success life amidst challenges. Ms. Madhumitha Gomthnayagam was glad enough to share her wonderful experience of her educational career. She shared her challenges faced during each step of her success and she added that high recognition of legends in the society comes through education other than any other qualifications or talents.

CRL of MAHER has organized the Ph.D. Orientation Programme on 08.01.2022 to the Ph.D. students of January 2022 session. The Ph.D. students were motivated and basic guidelines for timely and successful completion of the Ph.D. programme were highlighted during the presentation.

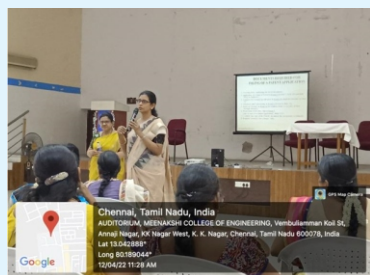

RESEARCH ACTIVITIES

CRL of MAHER has organized the Ph.D. Orientation Programme for MAHER Guides on 09.01.2022. The Ph.D. Guides were oriented with their responsibilities during the Ph.D. programme with special emphasis on their roles within the first year after Students registration. Guideship eligibility norms, course work papers and exemption papers for M. Phil. Candidates were majorly emphasized. Remuneration scheme and full time Ph.D. Scholars stipends were also discussed and accepted during the orientation. Overall, the Ph.D Guides were oriented with their roles for an ethical relationship with the students as well as to provide valuable research guidance to the Students for the successful completion of their Ph.D. programme.

A sensitization programme on Intellectual Property Rights by Dr. Deepa Bopanna, Advocate and Indian Registered Patent Attorney on 12.04.2022 was conducted by CRL, MAHER in the MAHER Auditorium. Dr. Deepa Bopanna presented a comprehensible overview on the fundamentals of copyrights and patents. She highlighted the materials/documents/methodologies/products that are eligible for copyrighting or patenting. She briefed on the legal aspects associated with IPR and also stressed on the misconduct involved in it. Dr. Deepa Bopanna enlightened the participants with all possible ways and basic tips to patent their inventions.

An event on orientation for writing a seed money proposals and its utilization was conducted by CRL, MAHER on 23.04.2022 at Faculty of Humanities and Science Block, MAHER. The orientation programme on writing a seed money proposals and its utilization was a guiding light to the new and young faculty members of Humanities and Science regarding the proposal writing and its effective utilization. The event further spearheaded the faculty members towards coming up with more innovative proposals to the Government and Non-Government Funding organizations.

Two Days workshop was organized on the occasion of “World Intellectual Property Rights Day” on 26.04.2022 and 27.04.2022 on the topic “Breaking the Myth: Grant writing and Intellectual Property Rights”. Dr. R. Arunachalam, Principal, College of Physiotherapy, Madhav University, Rajasthan was the Guest Speaker of the workshop. The next day programme was graced by a series of lectures by Dr. J. Balamurugan, Prof, Faculty of Physiotherapy and Dr. R. Anitha, Asst. Prof, Department of Oral Medicine and radiology, MADCH. Finally, Dr. Deepa Bopanna, Advocate and Indian Registered Patent Attorney delivered a stimulating lecture on IPR-with interesting case laws.
