ACTION TAKEN REPORT ON STAKEHOLDERS FEEDBACK

MBBS PROGRAM

2019 – 2020

Suggestions	Feedback given by	BOS MOM	Resolution Number	Action Taken
The curriculum must adopt Competency based medical education model	Student	33 rd BOS 20.08.2020	33.8	The curriculum is revised according to the decisions made in the Board of Studies meetings and the Competency Based Medical Education was implemented for MBBS program from the academic year 2019-2020. The syllabus are multidisciplinary and inputs from relevant departments are given from Phase I.
To increase the clinical exposure.	Alumni	33 rd BOS 20.08.2020	33.8	Early clinical exposure is a part of CBME curriculum and hence the syllabus is modified accordingly. Clinical postings are starting earlier from Phase I MBBS.
Innovative teaching methods can be incorporated. Students to improve on their clinical knowledge and surgical skills.	Teachers	33 rd BOS 20.08.2020	33.8	MBBS students are exposed to witness E contents, videos of advanced surgeries and procedures like Endoscopy, Bronchoscopy, Laproscopic surgeries, USG and CT-guided procedures. CRRIs assist some among the list during procedures to gain knowledge and improve their surgical skills.

ACTION TAKEN REPORT - 2019- 2020

Suggestions	Feedback given by	BOS MOM	Resolution Number	Action Taken
Students suggested that the department can organize National/International conferences system wise with slide seminars to enhance their understanding of the basic diagnostic approach.	Student	18.08.2020	23.6	Conducted National conference "OSTOPATH" on bone tumours with renowned speakers from various states.
The learning outcomes are evaluated periodically and corrective measure are initiated for the continual improvements	Teacher	18.08.2020	23.6	Teaching schedule time slots are given for gross test and slide test every month. Every fourth Saturday postgraduates write theory exam (chapter wise) which is informed to them well in advance. After the formative assessment one-one feedback is given by the professors and senior associate professor on their performance and suggestions to improve their learning.
There is adequate weightage for continuous ongoing assessment (internal assessment)	Alumni	18.08.2020	23.6	-
To introduce recent advances like digital pathology to the postgraduate students	Professional	18.08.2020	23.6	Planned to add artificial intelligence as electives to the forthcoming batch.
Structured comments to improve the curriculum. Learning can be complemented with interesting multidisciplinary case based learning sessions.	Employers	18.08.2020	23.6	Presented cases in Clinical society meeting, IAPM and in National Conferences.
