FEED BACK ANALYSIS-TEACHERS 2020-21

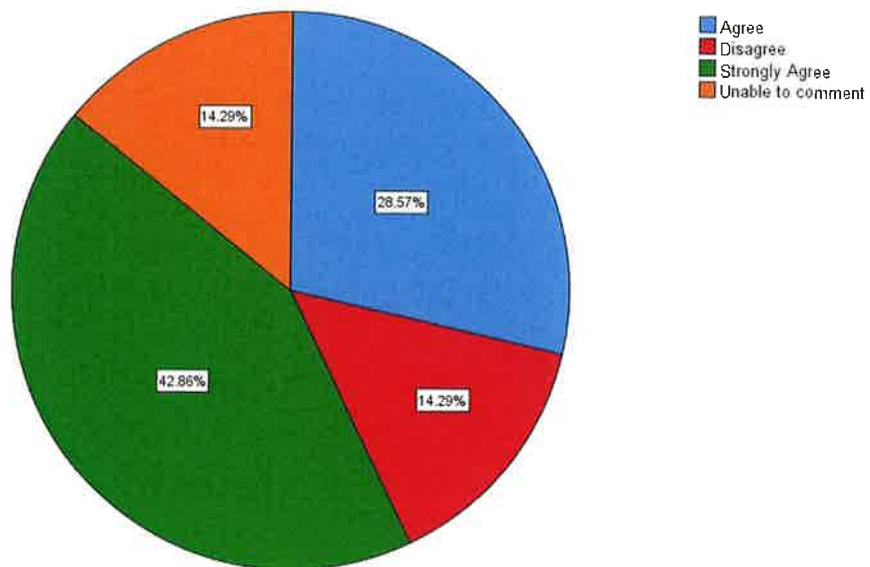

The design of curriculum is appropriate to cover all relevant topics for the assigned courses

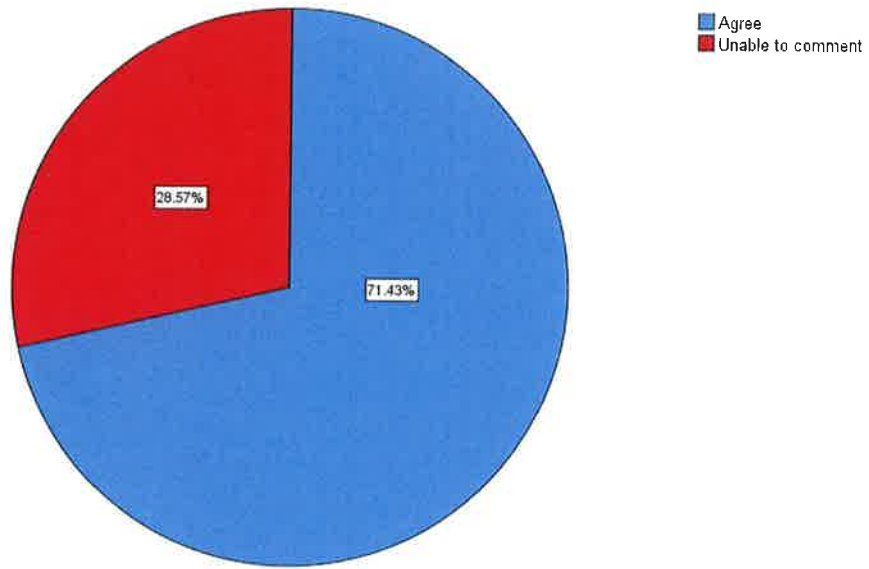

"The facilities and learning resources available in institute is adequate for effective teaching

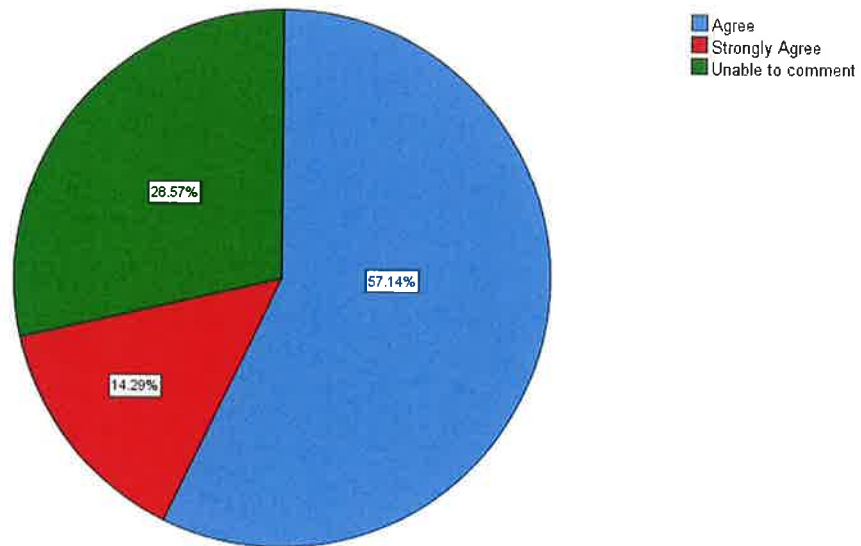

I am satisfied with the assessment practices adopted by the University for measuring student's performance.

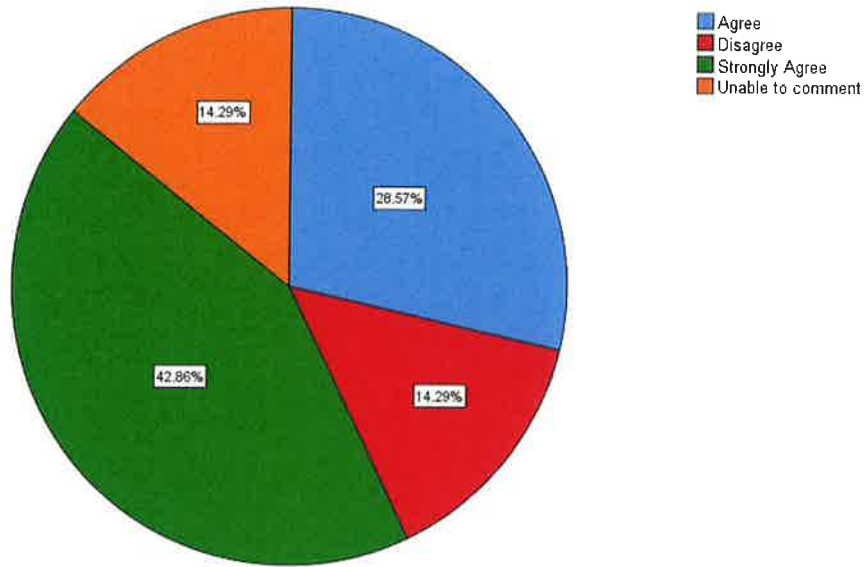

The curriculum/Course follows Outcome Based/Competency Based education

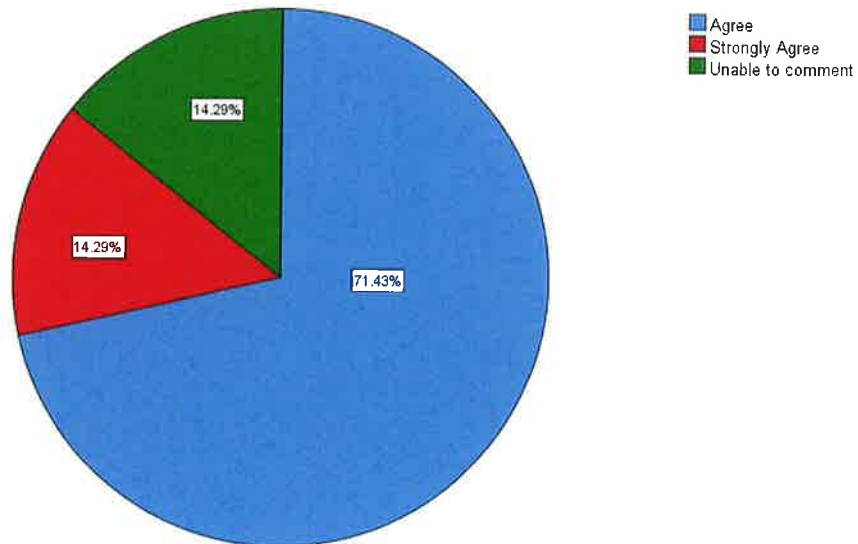

The curriculum provides effective use of ICT based pedagogy with vast use of E- content developed by me/LMS

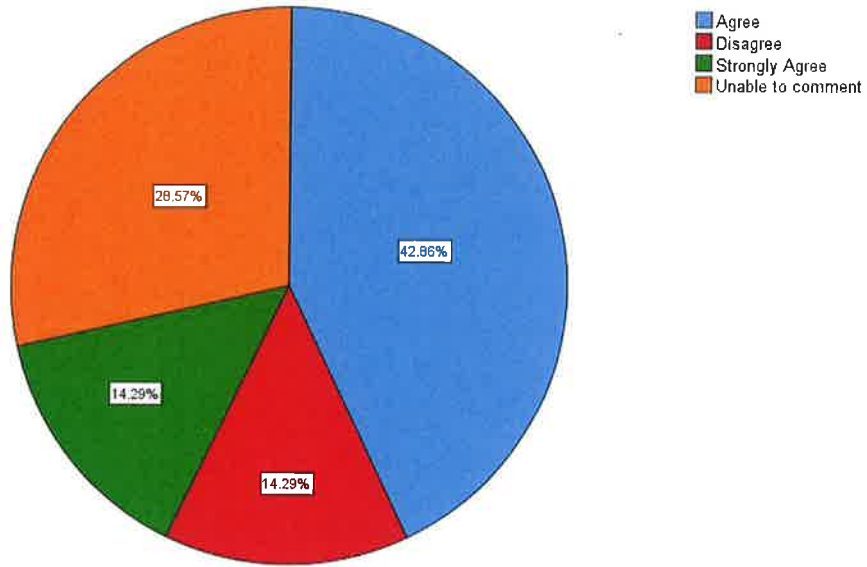

The evaluation process is effective and robust with the advancement of ICT and reforms

The learning outcomes are evaluated periodically and corrective measure are initiated for the continual improvements

The depth of the course is relevant in meeting the Program Outcomes and Program Specific Outcomes
