## CHIEF INTERNATIONAL FACULTY

Dr Joshua Michael Shieh MDS  
( UG MADCH Alumnus (2000) & PG MADCH Alumnus (2009) )  
Clinical Director - Dental Implantology @jacksonville  
Diplomate - American Board of Oral Implantology

## ABOUT THE SPEAKER

Dr. Joshua Michael Shieh, BDS, MDS, a highly respected dental professional with a passion for innovation, education, and community service. Driven by a sanguine temperament, Dr. Shieh is dedicated to improving lives both inside and outside of his clinical practice. Whether enhancing patients' smiles, volunteering at his local church, or mentoring individuals with special needs, he is committed to making a meaningful impact on the world. Dr. Shieh immigrated to Canada in 2013, where he cleared the NDEB exams in 2014. Since then, he has built an impressive career, currently serving as an Associate Dentist at 17 offices in the Greater Toronto Area. He holds key leadership roles, including Clinical Site Director for the Implantology Program at Jacksonville University and Program Director at AIC Education with Hiossen Canada. Dr. Shieh has also been a clinical instructor at the University of Toronto and The Institute of Dental excellence. Specializing in Periodontology and Implantology, he has earned numerous certifications and distinctions, including Diplomate status with the American Board of Oral Implantology.
