MMCHRI LAUNCHES PIONEERING HEALTHCARE INITIATIVES : MEENAKSHI HEALTHCARE BENEFIT SCHEMES AND VIRTUAL ANATOMY DISSECTION SYSTEM

On 31st January, 2025, Meenakshi Medical College Hospital & Research Institute (MMCHRI) proudly hosted a landmark event from 12:30 PM to 1:30 PM, marking the launch of two transformative initiatives — the Meenakshi Healthcare Benefit Schemes and the Virtual Anatomy Dissection System.

The Meenakshi Healthcare Benefit Schemes are designed to enhance accessibility and affordability of healthcare services, aiming to benefit a broad section of society by addressing healthcare equity and promoting well-being at the grassroots level. Simultaneously, the launch of the Virtual Anatomy Dissection System reflects MMCHRI's forward-thinking approach to medical education. This cutting-edge technological platform offers students a simulated, interactive dissection experience, elevating their anatomical understanding and complementing traditional learning methods with digital precision.

*Inauguration by
Mrs. Jayanthi Radhakrishnan*

The event began with a Welcome Address delivered by Prof. Dr. K.V. Rajasekhara, Dean, MMCHRI, setting the tone for the day's significance. An insightful Overview of the Scheme and its Benefits for both the medical community and the public was presented by Mrs. Jayanthi Radhakrishnan, Hon'ble Chancellor, MAHER.

*Release of Meenakshi Healthcare
Benefit Schemes*

The Inaugural Address was also delivered by Mrs. Jayanthi Radhakrishnan, underscoring the institution's enduring commitment to healthcare accessibility and academic excellence. A Special Address by Mr. Akash Prabhakar, Hon'ble Pro Chancellor, MAHER, highlighted the vital role of healthcare innovation and the importance of digital transformation in modern medical education. Further enriching the event, Prof. Dr. C. Sridhar, Vice Chancellor, MAHER, provided a Detailed Presentation on the objectives, implementation strategies, and anticipated impact of these initiatives on both the healthcare system and medical training.

Inauguration of Virtual Anatomy Dissection System

The event concluded with a heartfelt Vote of Thanks by Prof. Dr. K. Boopathi, Medical Superintendent, MMCHRI, expressing gratitude to all dignitaries and participants for their contributions.

Following the formal proceedings, the event transitioned to the ribbon-cutting ceremony at Morton Hall, Hospital Block, MMCHRI, officially inaugurating the Virtual Anatomy Dissection System. The inauguration was followed by a live Demonstration Session, showcasing the system's capabilities and its transformative potential for medical education.

MAHER SHINES BRIGHT WITH 3-STAR RECOGNITION IN IIC 6.0

Innovation Rating

We are proud to announce that Meenakshi Academy of Higher Education and Research (MAHER) has been awarded an impressive 3-Star rating in the Institution's Innovation Council (IIC) 6.0 for the academic year 2023-2024. This prestigious recognition comes from the Ministry of Education's Innovation Cell (MIC), Government of India, underscoring MAHER's unwavering commitment to fostering a culture of innovation, entrepreneurship, and creative problem-solving on campus.

The IIC rating is a benchmark of excellence, measuring an institution's efforts in promoting innovation and startup ecosystems through a series of structured activities, workshops, and initiatives that engage students and faculty alike. Achieving a 3-Star rating reflects MAHER's proactive role in nurturing young minds, encouraging the spirit of ideation, and translating knowledge into impactful solutions for society. This accomplishment is a testament to the dedication of our students, faculty mentors, and the leadership team, who continuously strive to transform MAHER into a hub of innovative excellence. It marks another milestone in our journey toward creating a vibrant environment where ideas are born, nurtured, and translated into real-world success stories.

INAUGURATION OF MAHER CENTRE FOR GLOBAL HEALTH RESEARCH

With growing global health challenges like infectious disease outbreaks, the need for robust global health research is more critical than ever. To advance knowledge and develop evidence-based solutions to address global health disparities, an initiative, MAHER Centre for Global Health Research was inaugurated at MAHER main campus, KK Nagar West, Chennai on 19th February 2025 with the blessings of Mrs. Jayanthi Radhakrishnan (Chancellor, MAHER), Mr. Akash Prabhakar (Pro-Chancellor, MAHER), and the presence of Dr. C. Sridhar (Vice-Chancellor, MAHER). Dr. C. Krithika (Pro-Vice-Chancellor, MAHER) and Dr. V. Sureka Varalakshmi (Registrar, MAHER). The Chief Guest for the inauguration was Dr. François Villinger, Director, New Iberia Research Centre, University of Louisiana at Lafayette, USA and special guests were Dr. Jason T. Blackard (University of Cincinnati, USA), Dr. Antony Schwartz (Duke University, USA) and Dr. Vijayakumar Velu (Emory University, USA). Dr. N. Arunagirinathan (Dean Research, MAHER), Dr. P. Balakrishnan (Chief Scientist – Infectious Diseases), Dr K. Srinivasa Galu (Medical Director), Dr. P. Mohanraj (NACO-ART Nodal Officer) and Dr. S. Sivasankari (Microbiology Professor) from Meenakshi Medical College hospital and Research Institute (MMCHRI) and a team of other research scientists participated in this event. The launch of MAHER Centre for Global Health Research at MAHER (Deemed to be University) is focussed on sustainable and inclusive partnerships and building capacity for the next generation of global health researchers.

MAHER Centre for Global Health Research
Inauguration

NATIONAL CYBER SECURITY SUMMIT'25

The National Cyber Security Summit' 25, held on 21st February 2025 at Meenakshi Academy of Higher Education and Research, Chennai, was a remarkable convergence of cybersecurity experts, academicians, and industry leaders, organized in collaboration with the National Cyber Security and Research Council, New Delhi. Centered around the theme "Empowering Academia with Cyber Resilience: Securing Research and Innovation," the summit aimed to enlighten and equip faculty and students with the latest advancements in cybersecurity, including AI, machine learning, and blockchain. The event witnessed enriching addresses by Major Gen. K. Narayanan and Dr. Khalieraaj, alongside insightful lectures from distinguished speakers that shed light on modern cyber threats, risk management, and data protection strategies.

With over 350 participants, the summit fostered invaluable networking and knowledge-sharing opportunities, leaving attendees well-prepared to face evolving cybersecurity challenges in academic and research environments.

Inauguration of National Cyber
Security Summit'25

5TH NATIONAL CONFERENCE OF THE INDIAN SOCIETY OF DENTAL TRAUMATOLOGY (ISDT)

The 5th National Conference of the Indian Society of Dental Traumatology (ISDT) was successfully held from 20th to 22nd March 2025 at MGM Beach Resorts, Muthukadu, Chennai. The conference brought together around 180 participants from various regions across India.

The event was organized by the Department of Conservative Dentistry and Endodontics, Meenakshi Ammal Dental College, under the guidance of Dr. N. Velmurugan, Conference Organizing Chairman, and Dr. Nandini Suresh, Conference Organizing Secretary.

The occasion was made even more special by the presence of the distinguished Chief Guest, Dr. C. Sridhar, Vice Chancellor of MAHER, who graciously honored the gathering with his presence. Adding further value to the event, Dr. C. Krithika, Pro Vice Chancellor of MAHER, delivered the prestigious A.R. Radhakrishnan Oration Lecture. Her insightful presentation on three-dimensional imaging for dental trauma diagnosis offered a transformative perspective on the role of advanced imaging techniques in enhancing diagnosis and treatment planning.

*Chief Guest,
Dr. C. Sridhar, Vice Chancellor of MAHER

WORLD RECORD ACHIEVEMENT

Empowering Women Through Multilingual Voices

In a remarkable celebration of diversity and empowerment, the Faculty of Occupational Therapy, Meenakshi Academy of Higher Education and Research (MAHER), Chennai, achieved a world record on 8th March, 2025, in honor of International Women's Day.

Over 180 students came together at the MAHER Auditorium, KK Nagar, for a multilingual recitation of a powerful phrase promoting women's empowerment. This event, organized by Prof. Deepa Sundareswaran, Principal of the Faculty of Occupational Therapy, was officially recognized by KALAM'S WORLD RECORDS. The students' unified voices in multiple languages symbolized strength, inclusivity, and the global call for women's rights and equality. The event was proudly partnered by Mr. Vijay Vishwa, Actor and CEO of VV Entertainments, Chennai, adding star presence and encouragement to this empowering initiative. This achievement stands as a proud moment for MAHER, reinforcing its commitment to inclusivity, gender equality, and cultural unity.

*Participants on the world record
with Mr. Vijay Vishwa*

FACULTY AWARDS

LIFETIME ACHIEVEMENT AWARD

The Lifetime Achievement Award was conferred upon Mrs. Jayanthi Radhakrishnan, Honourable Chancellor of MAHER, recognizing her exceptional contributions to education and community service on International Women's Day Celebration on 8th March, 2025.

The event commenced with Thamizh Thai Vaazhthu and the ceremonial Lighting of Kuthuvilakku, setting the stage for an inspiring tribute. The occasion featured a heartfelt welcome by Dr. P. Sagayaraj, Dean of FHS, and a video presentation showcasing the Chancellor's remarkable journey. Prof. Dr. C. Sridhar, Vice-Chancellor of MAHER, emphasized the vital roles women play in society.

Special invitee Mr. Vijay Vishwa, CEO of VV Entertainment Chennai, praised her unparalleled impact on education and beyond. On behalf of the Chancellor, Prof. Dr. C. Krithika, Pro-Vice-Chancellor of MAHER, accepted the award, applauding the resilience and achievements of women at MAHER.

*Prof. Dr. C. Krithika,
Pro-Vice-Chancellor of MAHER,
accepted the Lifetime achievement
award of Chancellor*

Dr. S. Sivamalar, Research Scientist from the Department of Research, MAHER, received the Research Poster Merit Award at the International Conference on Emerging and Re-Emerging Infectious Diseases, held on 17th and 18th February 2025, at the Campus, Chennai, India. The conference was jointly organized by the Department of Microbiology, Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, and the Infectious Diseases Society of India (IDS).

Dr. S. Sivamalar receiving the award

Dr. K.S. Sridevi Sangeetha, Professor & Vice Principal (Academics), Department of Pharmacology, Faculty of Allied Health Sciences, MAHER, was honoured with the Distinguished Professor Award in Pharmacology & Toxicology at the Indian Association of Basic and Paramedical Sciences (IABPMS) Scientific Meet 2025, which was held on 8th March, 2025.

Dr. K.S. Sridevi Sangeetha receiving the award

Dr. Anitha K., Head of the Department of Management Studies, was honoured with the Best Women Outstanding Researcher Award at the PARA Women Awards 2025. She received this prestigious recognition from Mr. Embalam R. Selvam, Speaker of the Puducherry Assembly, and Mr. Sankar Viswanathan, Vice President of VIT, on 16th March 2025, during an event organized by the Puducherry Arts & Research Academy.

Dr. Anitha K receiving the award

STUDENT AWARDS

The students of Meenakshi Ammal Dental College made their institution proud by excelling at the 75th National Indian Dental Conference, which was held from February 7th–9th, 2025, at the Chennai Trade Centre, Nandambakkam, Chennai.

They secured an impressive 3rd position in the cultural events, showcasing their artistic talents. In addition, they achieved 1st position in both the scientific and sports categories, demonstrating their academic excellence and physical prowess. The crowning achievement was winning the Overall Champion Trophy - a true testament to their hard work, dedication, and outstanding teamwork.

Students receiving their overall champion trophy

Our student Mr. Nithin from Faculty of Physiotherapy (Athletics – 100m & 200m), secured First Position in the Inter Para Medical Tournament, held at Sri Ramachandra Institute of Higher Education and Research. The FYST Volleyball (Men) Team also secured the Winner's Position in the same tournament, showcasing their exceptional skill and teamwork.

Mr. Nithin receiving prize for winning athletics

Winners team of FYST

Students of MAHER showcased their enthusiasm for environmental awareness by actively participating in the "Run for a Plastic-Free Chennai" marathon, organized by the Tamil Nadu Pollution Control Board on 22nd February 2025. Covering a 5 km stretch from Island Grounds, Mount Road, students from the Faculty of Humanities and Science, Allied Health Sciences, and Pharmacy represented the institution with pride. Yamini (II BCA) secured 5th place and Divya J. (II B.Com) earned 7th place, both receiving shields for their achievement. From Allied Health Sciences, Nivetha (I Year AHS) placed 4th in the Girls' category, while M. Venkatesan (I Year AHS) and Swamy Dass (III Year AHS) secured 4th and 5th places respectively in the Boys' category. Mr. Mohammed Fahim, a first-year B.Pharm student, also achieved 5th place, exemplifying MAHER's commitment to social responsibility.

All participants were awarded certificates of appreciation. Adding to this success, first-year B.Pharm students secured 1st and 2nd prizes in the Hackathon held as part of Pharma Anveshan, standing out among 29 registered teams from 8 participating institutions—further highlighting the innovation and excellence of MAHER students.

Achievers of Hackathon

Achievers of Hackathon

Mr. A. Nithin, a student from Faculty of Physiotherapy, secured the Bronze Medal in Athletics (200m) at the 6th Tamil Nadu State Youth Athletics Championship, organized by the Tamil Nadu Athletics Association at Jawaharlal Nehru Stadium, Chennai, on 22nd and 23rd February 2025.

Mr. A. Nithin secured the Bronze Medal

ACADEMIC EVENTS

On 7th March, 2025, a Max-Planck Lecture was held at the Triple-Helix Auditorium, CSIR-CLRI, Chennai. The event was jointly organized by CSIR-CLRI and the Institute of Mathematical Sciences, in collaboration with the prestigious Max-Planck Society, Germany. The lecture was delivered by Prof. Dr. Stephan Grill from the Max Planck Institute of Molecular Cell Biology and Genetics, Dresden. Speaking on the topic "Physics of Life," Prof. Grill shared groundbreaking insights into the physical principles governing the dynamic self-organization of living matter.

A distinguished scientist, Prof. Grill is the recipient of several international accolades, including the Paul Ehrlich and Ludwig Darmstaedter Prize (2011) and the Raymond and Beverly Sackler International Prize in Biophysics (2015). Following the lecture, Prof. Grill engaged in a brief but insightful interaction with a team of scientists from MAHER, fostering a valuable exchange of ideas in the field of molecular biophysics.

MAHER Scientists Interact with Renowned Biophysicist Prof. Dr. Stephan Grill

Department of Obstetrics & Gynaecology at Meenakshi Medical College Hospital & Research Institute (MMCH & RI), in collaboration with the Chennai Menopause Society and the Obstetric and Gynaecological Society of Southern India (OGSSI), organized a CME program on Menopausal Health on 27th January, 2025. The event aimed to enhance awareness and knowledge about menopause management among healthcare professionals. The Welcome Address was delivered by Dr. R. Jayanthi, Professor & HOD, OBG, MMCH & RI. The STRAW Classification was presented by PG Dr. Shakifa. An insightful lecture on Metabolic Health at Menopause was delivered by Dr. T.K. Shaanthy Gunasingh, followed by a session on Joint Care of Bone Health at Midlife presented by Dr. Thulasiraman and Dr. Bharathi. Premature Ovarian Insufficiency was addressed by Dr. Meera V.V. Ragavan,

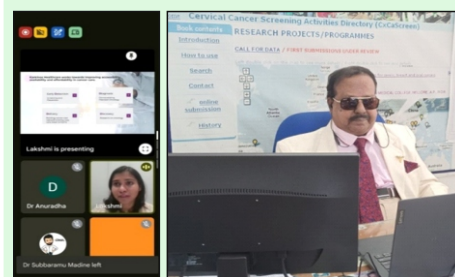

Dr. A. Geethalakshmi, and Dr. Madhavi, which was followed by a panel discussion on Making Midlife Colorful. The program concluded with a Vote of Thanks delivered by Dr. Kala, Professor, OBG.

Inauguration of CME program on Menopausal Health

Department of Community Medicine at Meenakshi Medical College Hospital & Research Institute (MMCH&RI) conducted the 5th International Online CME event, CERVICON 2025, from February 4th to 6th, 2025. The event was organized to commemorate World Cancer Day 2025, with a primary focus on Cervical Cancer Elimination by 2030 through HPV vaccination and screening programs.

The CME featured over 40 national and international experts, who shared their expertise on various aspects of cervical cancer prevention, including vaccination, screening, treatment, and emerging research. Key topics covered during the event included HPV vaccination and screening strategies, cervical cancer epidemiology, innovative technologies such as AI in cancer detection, community-based approaches for reaching underserved populations, and government initiatives and policy implementation at national and international levels. CERVICON 2025 aimed to strengthen global cervical cancer prevention efforts by fostering collaboration, sharing best practices, and contributing valuable insights to future policy-making and implementation strategies, in alignment with the World Health Organization's goal of cervical cancer elimination by 2030.

International Online CME event, CERVICON 2025

On 20th February 2025, the Department of Oral & Maxillofacial Pathology and Oral Microbiology at Meenakshi Ammal Dental College had the privilege of hosting renowned infectious disease specialist Dr. Jason Blackard, Professor of Internal Medicine at the University of Cincinnati, Ohio, USA. Dr. Blackard delivered a captivating guest lecture on "HBV Infection in Healthcare Settings," shedding light on the latest developments and advancements in the field. He was honored by Dr. Pachamuthu Balakrishnan, Chief Scientist, MAHER, and Dr. B. Kavitha, Professor and Head, Department of Oral and Maxillofacial Pathology and Oral Microbiology. The lecture provided invaluable insights, and the students, faculty, and guests greatly benefited from his expertise.

Inauguration of the program

On 21st February, 2025, Green Technologies, in collaboration with the Department of Computer Science and Computer Applications, Faculty of Humanities and Science, hosted a seminar on 'Full Stack Development and Testing' exclusively for final-year Computer Science and BCA students. The seminar, held from 10:00 AM to 12:30 PM, featured Mr. Rajesh, a renowned expert with a distinguished background, as the resource person. His insightful session introduced students to the fundamentals of both backend and frontend technologies, offering a comprehensive understanding of full-stack development. The event witnessed the active participation of 64 students along with faculty members from the Department of Computer Science and Applications, creating an engaging and informative experience for all attendees.

Mr. Rajesh, the resource person lecturing a captivated audience

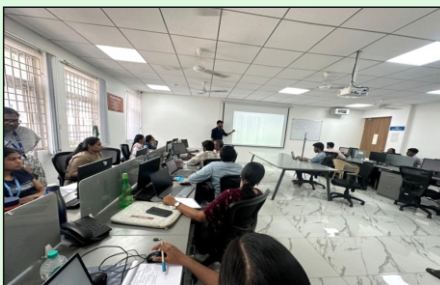

MAHER Advanced Research Centre for Health Sciences (MARCH) successfully conducted a Two-Day Hands-on Bioinformatics Workshop on Viral Diversity, Sequence Analysis, Phylogenetics & Molecular Docking on 21st and 22nd February 2025 at the Department of Research, MAHER. The workshop, held in a hybrid mode, attracted 28 participants (20 offline and 8 online) from prestigious institutions including ICMR – National Institute of Translational Virology and AIDS Research, Ballygunge Science College, Bharathidasan University, Madras Christian College, Central University of Tamil Nadu, University of Madras, and Rajalakshmi Engineering College. Dr. Jason Blackard from the University of Cincinnati led the first day's session, covering topics such as viral diversity, sequence analysis, drug resistance, and vaccine escape. The second day's session was conducted by Dr. Daniel Alex Anand from Sathyabama Institute of Science and Technology, who guided participants through molecular docking and ligand toxicity prediction. Participants engaged in hands-on training using advanced bioinformatics tools, with Dr. Thirumal Kumar and Dr. Suvaithenamudhan (Assistant Professors) assisting throughout both days, thereby fostering technical expertise and promoting research collaborations. The event was chaired by Dr. N. Arunagirinathan (Dean, Research) and Dr. P. Balakrishnan (Chief Scientist, Infectious Diseases), with Dr. D. Thirumal Kumar and Dr. Pavithra Amritkumar serving as Co-Organizing Secretaries. The workshop received excellent feedback for its practical approach and expert-led discussions, empowering researchers with essential computational biology skills.

Dr. Jason Blackard conducting his session

Felicitation of Dr. N. Arunagirinathan

Dr. Daniel Alex Anand engaging the audience

Faculty of Humanities and Science (FHS) at MAHER had the honor of hosting an inspiring guest lecture on 22nd February 2025 at the MAHER Auditorium, delivered by Mrs. B. Muthulakshmi, Scientist and Deputy Project Director of Chandrayaan-3, ISRO. The session, titled "Chandrayaan and Beyond: Innovators, AI, and the Future of Space Exploration," provided both students and faculty members with valuable insights into India's space missions, the growing role of artificial intelligence in space research, and the exciting future of interplanetary exploration. Mrs. Muthulakshmi offered an in-depth overview of Gaganyaan, India's first human spaceflight program, and discussed its objectives, technological challenges, and innovative solutions. She also shared her inspiring personal journey — from her early days as a student in a corporation school to becoming a leading scientist at ISRO — encouraging students to pursue their dreams with passion and perseverance. The lecture concluded with an engaging interactive session, during which she addressed a variety of thoughtful questions posed by the students about space science, AI, and India's future missions.

The event proved to be a resounding success, sparking curiosity and ambition among the audience and leaving them deeply motivated. The Faculty of Humanities and Science at MAHER expressed sincere gratitude to Mrs. B. Muthulakshmi for her time and for sharing her knowledge and experience, making the session both educational and truly inspiring.

Inaugural Function

Mrs. B. Muthulakshmi delivering the lecture

Department of Ophthalmology at Meenakshi Medical College Hospital and Research Institute (MMCHRI) successfully organized a CME programme titled "Beyond Glasses: An Update on Corneal Refractive Precision" on 24th February 2025. The event aimed to update healthcare professionals on the latest advancements in corneal refractive procedures and their evolving role in the correction of refractive errors. The programme commenced with a traditional inauguration ceremony, which featured a welcome address by Dr. K. Namitha Bhuvaneswari, Head of the Department of Ophthalmology, followed by the inaugural address delivered by Prof. Dr. K. V. Rajasekhar, Dean, MMCHRI. Dr. Rekha, Senior Resident, Ophthalmology, MMCHRI, discussed the crucial role of the cornea in the eye's refractive system. Dr. Pramila B., Professor of Ophthalmology at RIOGOH, highlighted the importance of advanced imaging techniques in achieving accurate diagnoses and effective treatment planning. Dr. Kalpana Suresh, Director of Kalpana Eye Care, Chennai, provided valuable insights into the latest surgical procedures for correcting refractive errors.

The programme also featured interactive elements such as Poster Presentations and a Quiz Competition, which encouraged active participation from attendees. The event concluded with a valedictory function, during which the winners of both the poster and quiz competitions were recognized and awarded prizes, marking the successful completion of an informative and inspiring academic gathering.

Winners receiving prizes during valedictory function

Medical Education Unit (MEU) of Meenakshi Medical College Hospital & Research Institute (MMCH&RI) organized a one-day Training Program on Good Clinical Practice (GCP) on 6th March, 2025. The programme aimed to educate participants on the ethical and scientific principles of GCP, its importance in clinical research, and the regulatory requirements for conducting clinical trials. The programme commenced with an introduction to GCP and its significance in clinical research by Dr. Parimala K., Head of the Department of Pharmacology, MMCHRI, followed by a session on ethical principles in clinical research and clinical trial design & protocol development, conducted by Dr. Karthick V. P., Associate Professor, Pharmacology, SRMC. Dr. Rajesh R., Professor of Dermatology, MMCHRI, discussed the roles and responsibilities in clinical trials. Post-lunch sessions focused on the Informed Consent Process, led by Dr. Shankar K., Head of the Department of Community Medicine, MMCHRI. Dr. Pachamuthu Balakrishnan, Professor & Chief Scientist – Infectious Diseases, Advanced Research Centre for Health Sciences, MAHER, provided insights into documentation, archival, safety reporting, and adverse events. The programme concluded with a session on the role of regulatory bodies and the consequences of GCP non-compliance by Dr. Punitha V. C., Research Coordinator, MMCHRI.

Students attending the session

The Research & Development Committee of Meenakshi Medical College Hospital and Research Institute organized a one-day orientation program on Intellectual Property Rights (IPR) for undergraduate students on 18th March, 2025. The program, titled "Securing Ideas: A Deep Dive into Intellectual Property Rights," aimed to provide students with a comprehensive understanding of IPR.

The program commenced with an inauguration, followed by an introduction to Intellectual Property Rights: Understanding the Basics, delivered by Dr. N. Muninathan, CRL Scientist, MMCHRI. A session on Copyrights and Trademarks: Protecting Creative Works and Brand Identity was conducted by Dr. Ponmurugan Panneer Selvam, Dean, Doctoral Studies, MAHER University. Dr. Sooriaprakas Chandrasekaran, Associate Professor, Department of Conservative Dentistry and Endodontics, Meenakshi Ammal Dental College and Hospital, gave a lecture on IPR in the Medical Field. This was followed by a talk on Patents: The Backbone of Technological and Pharmaceutical Innovation by Dr. Saravana Kumar S., IPR Coordinator, R&D Committee, MMCHRI. Dr. Punitha V. C., Associate Professor of Community Medicine and Research Coordinator, R&D Committee, MMCHRI, spoke about Ethics and IPR. The IPR Orientation Programme for undergraduate students was a well-organized and informative event that provided valuable knowledge and insights into Intellectual Property Rights to the participating students.

Inauguration of the IPR Orientation Programme

On 28th March, 2025, a one-day conclave on "E-Mobility Transition: Challenges & Opportunities" was held at Anna University, Chennai, jointly organized by Climate Compatible Growth South India Network, UK and IGEN. Representing MAHER, Dr. Roselin V. (Associate Dean, Extension Activities) and Dr. Anitha R. (Deputy Registrar, Administration) attended the event, accompanied by three students from the Faculty of Humanities & Science. The conclave provided invaluable insights into the future of sustainable transportation, addressing technological advancements, policy frameworks, and infrastructure challenges in India's shift toward green mobility. It proved to be a great learning experience, reinforcing MAHER's commitment to sustainability, innovation, and future-ready education!

Representatives of MAHER at the conclave

Department of Periodontics and Department of Oral and Maxillofacial Surgery at Meenakshi Ammal Dental College and Hospital, Chennai, jointly organized the Conscious Sedation Programme on 25th March 2025. The event featured Dr. Annapoorani (Vice Principal, Academics), Dr. Lambodaran (Vice Principal, Administration), Dr. Jaideep Mahendra (HoD, Periodontics), and Dr. Manikandan (HoD, Oral and Maxillofacial Surgery). Dr. Jaideep Mahendra delivered the welcome address, and Dr. Elavazhagan discussed the modes, safety, and benefits of conscious sedation, emphasizing continuous vital sign monitoring and the use of Midazolam as a preferred sedative.

The session included a live demonstration in the Oral Surgery Department, providing postgraduate students with hands-on experience and an interactive session, followed by a Vote of Thanks by Dr. Vijayalakshmi. The programme was informative and well-received, offering key insights into sedation protocols and clinical applications, contributing to its grand success.

Dr. Jaideep Mahendra delivering the welcome address followed by the felicitation

Audience at the session

On 4th March 2025, Department of Periodontics, Meenakshi Ammal Dental College and Hospital, conducted a CDE program on the topic, "Tissue Augmentation for Dental Implants – The Gum and Bone Story." Dr. Joshua Sheih, MDS and Diplomate of the American Board of Implantology, delivered a guest lecture on the topic. His lecture focused on various soft tissue augmentation techniques around dental implants, which he explained with numerous clinical cases. Postgraduates from various colleges around Tamil Nadu, undergraduates, and faculty members participated, engaging in interactions with the students. The Head of the Department, Dr. Jaideep Mahendra, thanked the audience for the successful execution of the program, making it a grand success.

Felicitation of Dr. Joshua Sheih, the resource person

Department of Periodontics at Meenakshi Ammal Dental College hosted Dr. Sathyanathan Nadarajah from Texas Tech University on 19th March 2025. He delivered an engaging session on mucogingival procedures, highlighting novel techniques and global treatment approaches. The event also featured clinical case presentations by post graduate students, sparking insightful discussions. Dr. Sathyanathan was felicitated in appreciation of his valuable contributions.

Felicitation of the guests

Dr. Sathyanathan Nadarajah with Postgraduate students

NON-ACADEMIC EVENTS

The Placement Cell, MAHER, in collaboration with the Faculty of Humanities and Science, proudly announced the successful launch of the Tally Value Added Course on 22nd January 2025. The course was inaugurated in partnership with the Rotary Club of Chennai Kilpauk at the MAHER Auditorium, with over 200 enthusiastic final-year students in attendance, eager to enhance their professional skills. As Nelson Mandela aptly stated, "Education is the most powerful weapon which you can use to change the world." This course aims to equip students with practical knowledge in Tally, paving the way for greater career opportunities and industry readiness.

Felicitation of the guests

Dignitaries on the Dias

Dr. Mahesh Kumar, Professor, Faculty of Physiotherapy, served as a Resource Person for the Faculty Development Program (FDP) organized by St. Peter's Institute of Higher Education and Research, St. Peter's University, Chennai, on 23rd January 2025. Conducted as part of the Staff Development Programme under the theme "Empower 360: Knowledge for Wellbeing Series," his impactful session on "Building Physical Resilience and Recovery" offered valuable insights and practical strategies, significantly enhancing the knowledge and expertise of all participating faculty members.

Felicitation of the Chief guest

Dr. Mahesh Kumar delivering the keynote

Student's Grievance Redressal Committee (SGRC) of Meenakshi Medical College Hospital & Research Institute organized an awareness programme for the 2nd-year students of the 2023–2024 batch to educate students about the purpose, functions, and procedures of the SGRC, and how they can effectively utilize its services. Dr. R. Jayanthi, Coordinator of the SGRC, delivered the welcome address, while Prof. Dr. K.V. Rajasekhar, Dean, gave the inaugural address, officially commencing the event and highlighting the importance of addressing student concerns in a structured manner. Dr. Muthubabu, committee member, presented an overview of the SGRC, detailing its roles, functions, and the types of grievances it handles. A dedicated interactive session encouraged students to openly discuss their concerns and experiences, fostering a platform for dialogue and awareness.

Dignitaries on the Dias

Dr. Muthubabu delivering the lecture

MAHER Placement Cell, in collaboration with the Faculty of Humanities and Science and Magic Bus India Foundation, successfully conducted a placement drive on 13th February 2025. The event resulted in a remarkable 168 job offers from leading companies such as Conneqt Business Solutions, Smart Fusion Technologies, Allset Technologies, NazV HR Solutions, and NetAmbit.

Medical Education Unit of Meenakshi Medical College Hospital & Research Institute (MMCH&RI) conducted a Postgraduate Induction Program from 13th to 15th February 2025. Day 1 commenced with an inaugural address by Prof. Dr. K.V. Rajasekhar, Dean, followed by sessions on the Code of Ethics by Dr. J. Jagannathan, Surgical Director, and PG Regulations including Dissertation Review Protocols (DRP) by Dr. K. Srinivasagalu, Medical Director. The day primarily focused on Infection Prevention and Control (IPC), covering topics such as standard and transmission-based precautions, device-associated infections, and surveillance methods. Day 2 expanded the training to include sessions on research methodology, emergency response, and safe prescription practices. A multidisciplinary faculty team from departments including Medical Education, Surgery, Microbiology, Pharmacology, Community Medicine, Anesthesiology, Forensic Medicine, and the Blood Bank enriched the learning experience. Day 3 began with a session on mental health and well-being for postgraduate students, followed by a lecture on clinical radiology. The day also included an orientation to essential institutional committees, providing a broader understanding of administrative and academic processes.

The program concluded with a feedback session, a post-test to evaluate learning outcomes, and a valedictory ceremony marking the successful completion of the induction program.

Inauguration of the program

Hands-on being conducted

Placement Cell at MAHER successfully organized a placement drive for HDB Financial Services on 28th February 2025. Nearly 150 students from the Faculty of Humanities and Science participated, demonstrating their enthusiasm and potential. The drive began with a dynamic group discussion round, allowing students to showcase their communication and analytical skills. A special note of appreciation to Ms. Aishwarya, HR Manager at HDB Financial Services, for facilitating this valuable opportunity for our graduating students. We extend our best wishes to all participants for a successful and rewarding career ahead.

Ms. Aishwarya, HR Manager during the placement process

Students of Faculty of Humanities and Science, MAHER – embarked on an enriching industrial visit to The Hindu Printing Press in Maraimalai Nagar, Chennai, on 7th March 2025. The visit was designed to provide firsthand exposure to the intricate processes involved in newspaper production and distribution. This educational experience offered valuable insights into the world of print media. English students explored the importance of language, content creation, and editorial accuracy, while Psychology students gained perspective on consumer behavior and the influence of media. Beyond theoretical learning, the visit encouraged students to consider careers in journalism, publishing, and media-related fields. It also highlighted sustainable industrial practices and the societal impact of print media. The visit proved to be a transformative experience, leaving students with a deeper appreciation for the dedication and precision behind the creation of a daily newspaper.

Enthusiastic students during the industrial visit

Placement Cell, MAHER successfully conducted a Career Guidance Program on 18th March 2025, titled "Strategies to Crack Bank Exams." The session saw active participation from 147 first-year students from both shifts of the Faculty of Humanities and Science, who gained valuable insights into competitive exam preparation. The resource person, Mr. Arul Kumaran S., delivered an engaging and informative session, offering expert strategies for succeeding in bank exams while also raising awareness about various government job opportunities. The session proved to be highly enriching and motivational, equipping students with practical tools and clarity to pursue their career aspirations in the public sector.

COMMEMORATIVE DAYS

Road Safety Day:

Faculty of Allied Health Sciences, MAHER, organized a road safety awareness rally on 10th January, 2025 around 10 am at MMCH&RI campus. The event was graced by the presence of the Principal, Vice Principal, faculty members, and a group of 50 students. A key highlight of the program was the students' impactful speeches and heartfelt poetry recitations, underscoring the importance of peer advocacy and raising awareness to promote road safety.

Students participating in the rally

Pongal:

Faculty of Allied Health Sciences, MAHER, joyfully celebrated the Pongal festival on 10th January, 2025. The event was graced by the Principal, Vice Principal (Academics), faculty members, and an enthusiastic group of students. Dressed in vibrant traditional attire, the participants showcased the cultural richness of Tamil Nadu through various activities, including a rangoli competition, an exciting Pongal-making contest, silambam demonstrations, uriyadi games, and energetic folk dances. The celebration beautifully reflected the essence of the festival and the spirit of unity.

Staffs and students celebrating pongal

Prosthodontist Day:

On the occasion of World Prosthodontist Day on 22nd January, 2025, the CRRIs of Meenakshi Ammal Dental College organized an engaging awareness skit to educate the public on the importance of replacing missing teeth. The program effectively highlighted various prosthodontic treatment options, including removable partial dentures, fixed partial dentures, and complete dentures. The interactive performance was well-received by both patients and the audience, successfully promoting awareness and understanding of prosthodontic care.

Republic Day:

The Meenakshi Academy of Higher Education and Research (MAHER) celebrated the 76th Republic Day with immense patriotic fervor and enthusiasm on January 26, 2025. The event, held at the MAHER campus, brought together students, faculty, and staff to honor the spirit of the Indian Constitution and celebrate the diversity and unity of the nation. The event featured a range of cultural performances, including patriotic songs, traditional dances, and theatrical presentations that reflected the essence of India's rich heritage and the importance of the Republic Day. Students from various faculties participated enthusiastically, showcasing their talent and creativity. The celebration also included a speech competition on the theme "India's Journey as a Republic" and a quiz highlighting key events in the making of the Constitution. The winners were honored with certificates and prizes. The day concluded with a pledge-taking ceremony, where everyone reaffirmed their commitment to building a prosperous and inclusive India. Light refreshments were served as the event drew to a close, leaving the audience inspired and filled with patriotic zeal.

Winners were awarded with prizes by Vice Chancellor and Pro Vice Chancellor

Meenakshi Medical College Hospital & Research Institute (MMCH&RI) celebrated the 76th Republic Day of India with great enthusiasm on January 26, 2025, at 9:00 AM on its campus in Enathur, Kanchipuram. The event was graced by Captain M. Ashahar Zia, Commanding Officer, INAS 312, INS Rajali, Arakkonam, who served as the Chief Guest. Prof. Dr. K. Boopathi, Medical Superintendent, delivered the welcome address, after which Captain Ashahar Zia delivered the Republic Day address, emphasizing the significance of the day and inspiring students to contribute meaningfully to the progress of the nation.

As part of the celebrations, students were honored for their outstanding achievements by Prof. Dr. K. Boopathi and Dr. V. Eswari, Vice Principal (Academics), MMCH&RI. The program concluded with a vote of thanks by Dr. V. Eswari and the distribution of sweets to all attendees. The event witnessed enthusiastic participation from faculty members, staff, and students, reflecting their patriotic spirit and dedication to national values.

Felicitation of Captain M Ashahar Zia

National Anthem observance

World Leprosy Day

Department of Dermatology, Meenakshi Medical College Hospital & Research Institute (MMCH&RI), conducted an awareness programme on World Leprosy Day on February 13, 2025. The event began with a welcome address by Dr. R. Rajesh, Professor, Department of DVL, who emphasized the ongoing need for awareness in combating leprosy and supporting affected individuals. Dr. S. Kumaravel, HOD and Professor, delivered an introductory speech, offering a comprehensive overview of leprosy, including its transmission, symptoms, and

supporting affected individuals. Dr. S. Kumaravel, HOD and Professor, delivered an introductory speech, offering a comprehensive overview of leprosy, including its transmission, symptoms, and the critical importance of early detection and treatment. Prof. Dr. K.V. Rajasekhar, Dean, delivered the keynote address, underscoring the importance of collaborative efforts in leprosy eradication and the essential role of healthcare professionals in delivering compassionate care. As part of the initiative, leprosy awareness pamphlets were distributed to attendees, providing vital information on treatment and support services. A health education session further reinforced the program's key messages. The event concluded with a vote of thanks by Dr. R. Sivayogana, Assistant Professor, Department of DVL.

Periodontist Day:

Department of Periodontics, Meenakshi Ammal Dental College, celebrated the Periodontist Day on 23rd February, by planting tree saplings within the college premises, symbolizing a commitment to sustainability. The event saw enthusiastic participation from postgraduates, teaching members and heads of various departments, who came together for this meaningful initiative. Just as periodontists nurture healthy gums, this act of environmental stewardship reflected a shared dedication to nurturing a healthier planet. The celebration continued with an awareness program, educating the public on the vital link between oral and systemic health, emphasizing that both go hand in hand. The event was further enriched by an inspiring orientation lecture by renowned psychologist Dr. Subhash Chandra, who addressed the importance of managing stress in day-to-day life, leaving the audience with practical insights and renewed motivation.

Students planting samplings

National Science Day:

Faculty of Humanities and Science (FHS) and the Faculty of Allied Health Sciences (FAHS) of Meenakshi Academy of Higher Education and Research (MAHER) celebrated National Science Day 2025 on 28th February, with a series of vibrant events aimed at igniting scientific curiosity, promoting innovation, and fostering creative exploration among students. At FHS, the celebration was held in collaboration with the Tamil Nadu State Council for Science and Technology and the National Council for Science and Technology, focusing on inspiring school students to understand the role of science in shaping the future. A special video presentation showcased MAHER's scientific infrastructure and research initiatives, encouraging students to pursue scientific excellence. Prof. Dr. A. Stephen, Professor of Nuclear Physics and Head of the Department of Material Science, University of Madras, delivered an inspiring keynote address on scientific inquiry and innovation. Over 200 students from 26 schools across Chennai participated in six competitions, which were evaluated by a panel of judges. Winners were awarded certificates, medals, and trophies, making the event both memorable and impactful.

School students participating enthusiastically in the competitions

Prize winners with the organising team

In the same way, FAHS hosted celebrations at both the main campus and the Maduravoyal campus. At the main campus, over 100 students participated in events such as Speech, Debate, Painting, Photography, Video Making, E-Poster, and Model Presentations, which allowed them to showcase their creativity and deepen their understanding of scientific concepts. At the Maduravoyal campus, the event titled "Scientia Unveiled in the Paramedical Field" was conducted for first-year AHS students. The program began with a welcome address by Dr. B. Durga, Vice Principal (Admin), followed by model displays and a Poster Making Competition. Adding a fun and educational element, the "Brain Blast" quiz and a guess-the-scientist game encouraged active engagement and teamwork among students. Winners were recognized for their outstanding efforts, and the event concluded with a vote of thanks by Ms. Swetha M., Assistant Professor, Department of Microbiology.

Across all campuses, the celebration of National Science Day successfully cultivated a spirit of inquiry and inspired students-ranging from schoolchildren to undergraduates-to explore, express, and contribute to the ever-evolving fields of science and healthcare.

International Women's Day 2025:

To commemorate International Women's Day 2025, various constituent institutions of Meenakshi Academy of Higher Education and Research (MAHER) organized a vibrant array of programs celebrating the strength, achievements, and empowerment of women. The celebrations commenced on 7th March, 2025, with a Walkathon and Sports Meet organized by the Sports & Games Committee at Meenakshi Medical College Hospital and Research Institute (MMCH&RI). Participants dressed in pink and purple as a symbol of empowerment, beginning the walkathon from the Pre-Clinical Block. This was followed by spirited sports competitions including Throwball, Shot Put, and a 30-meter run, with winners receiving certificates. The event fostered camaraderie, fitness, and appreciation for the contributions of women faculty and staff.

Women faculty participating in sports

On same day, at the MMCH&RI campus, the Faculty of Allied Health Sciences hosted a celebration themed "Enlightening Entrepreneurship and Earning Money". Inaugurated by Dr. Punitha V.C, Associate Professor & Epidemiologist, Department of Community Medicine, the event featured food stalls, mehendi art, and face painting, creating an atmosphere of fun and creativity. Students actively showcased their talents while exploring business and self-employment opportunities, promoting teamwork and entrepreneurial thinking.

Students actively showcased their talents while exploring business and self-employment opportunities, promoting teamwork and entrepreneurial thinking.

At the Maduravoyal campus, FAHS conducted the "Bold & Brilliant Women's Day Gala" exclusively for first-year AHS students. The celebration began with a welcome address by Dr. B. Durga, Vice Principal (Admin), and included a monologue tribute to Mother Teresa, along with cultural performances-dance, music, and poetry. A Rangoli competition on the theme "Women Empowerment" and a fashion show further enriched the program, which concluded with a vote of thanks by Ms. Swetha M., Assistant Professor, Department of Microbiology.

Students engaging in various competitions

Meenakshi Ammal Dental College celebrated International Women's Day on 7th March, 2025, with great enthusiasm and energy. The event was organized by the Internal Complaint Committee in association with department of physical education and sports, MAHER and brought together teaching, non-teaching, and hospital attendants for a fun-filled day of activities and sports.

The celebration featured various events, including sports and games, which promoted teamwork and camaraderie among participants. Vice-Principal Dr. Lambodharan presented medals to the winners, recognizing their achievements and spirit. Women's Day celebration is a testament to the college's commitment to promoting women's empowerment and creating a supportive community. By organizing such events, the college aims to foster a culture of equality and inclusivity among its students, faculty, and staffs. The celebration was well-appreciated by all the non-teaching staff, who expressed their gratitude for the event. The ICC reaffirmed its commitment to creating a joyful and respectful environment for all the staffs.

Women staffs and students participating during women's day celebration at Meenakshi Ammal Dental College

Arulmigu Meenakshi College of Nursing (AMCON) also celebrated Women's Day on 7th March at the Vellakulam rural area. The program began with Tamizh Thai Vazhthu and a special address by Dr. Parimaa Aravinda Kumar, Medical Officer, MMCH&RI Rural Health Centre, Vadamavanthal, who spoke on the theme "Empowered Women, Empowering the Future." Students participated in debate and speech competitions, and indoor games were conducted for staff, fostering both reflection and recreation. The event concluded with a vote of thanks by Ms. Devi, M.Sc. (Nursing), Tutor, AMCON.

Dr.Parimaa Aravinda delivering her speech

The celebrations continued on 14th March, 2025, with the ICC of MMCH&RI organizing an expert talk on "Legal Provisions Related to Women's Safety and Rights" at the New Lecture Hall. Tmt. Rajendran Gayathri, M.L., Deputy Director of Prosecution, Kanchipuram & Assistant Director of Prosecution, Alandur, Chengalpet District, served as the guest speaker. The session began with a welcome by Dr. Kala, Professor (OBG), followed by addresses from Dr. Boopathy, Medical Superintendent, and Dr. V. Eswari, Vice Principal (Academics). Dr. C. Indhu, Presiding Officer, ICC, introduced the guest speaker. Tmt. Gayathri delivered an insightful talk on legal support mechanisms available to women, empowering the audience with essential knowledge. A vibrant cultural fest followed, celebrating womanhood through art and performance. The event concluded with a vote of thanks by Dr. Athiba, Assistant Professor, Department of Psychiatry.

Dignitaries on the dias

Collectively, these programs reflected MAHER's ongoing commitment to gender equity, empowerment, and the celebration of women's achievements across academic and healthcare fields.

75th Year of the Indian Constitution

Faculty of Humanities and Science, MAHER, as part of commemorating the 75th year of the Indian Constitution, conducted student talks, group discussions, and a video screening on 15th March, 2025. The day was celebrated with a special talk on "Fundamental and Constitutional Rights of Women."

Dr. B. Subhashini (Dept. of EFL, SRM Institute of Science and Technology) graced the event. Dr. V. Shanthi, Principal, FHs, welcomed the gathering, followed by a presentation by Dr. Damodaran (HOD, Psychology) on women's rights in ancient India. Prof. & Dr. Pushpa Nagini Sripada, Director, Centre for Online Education, emphasized the need for societal and familial reforms to uphold women's rights.

Faculty along with the chief guest at the celebration

In Commemoration of "75th Years of the Indian Constitution and 134th birth anniversary of Bharat Ratna Dr. B.R. Ambedkar". The National Service Scheme of Arulmigu Meenakshi College of Nursing (AMCON) has conducted English elocution competition to the students in the theme of "Jai Bhim and the Indian Constitution" on 15/04/2025 at 10:00 AM in the Conference Hall AMCON. The event was started with formal inaugural. Dr. Victor Devasirvadam Principal, Arulmigu Meenakshi College of Nursing delivered special address and evaluated the students in elocution competition. 15 students from B.Sc., (N) have participated in the elocution. The winners were awarded. Mr. Dinesh Kumar.R, Assist. Professor AMCON delivered vote of thanks. Total of 100 students attended and got benefited through this event.

World TB Day:

Department of Respiratory Medicine, Meenakshi Medical College Hospital and Research Institute (MMCHRI), commemorated World TB Day 2025 on 25th March, 2025, under the theme "Commit, Invest, Deliver." The event commenced with a welcome address by Prof. Dr. R. Srinivasan, Professor and Head of the Department, followed by the keynote address delivered by Prof. Dr. K. V. Rajasekhar, Dean, MMCHRI, and the inaugural address by Prof. Dr. Boopathi, Medical Superintendent, MMCHRI.

The academic session featured insightful presentations on key aspects of tuberculosis, including "TB Story Without an Ending" by Dr. V. Janarthanan, Assistant Professor, Department of Respiratory Medicine; "Eyes See What Mind Comprehends: Real World TB Experience" by Prof. Dr. D. Anbarasu, Professor and Head, Department of Internal Medicine; "Laboratory Diagnosis of TB: Past, Present & Future" by Prof. Dr. S. Siva Shankari, Department of Microbiology; and "Navigation Through the Maze", a multiple case-based discussion by Dr. D. Suresh Kumar, Assistant Professor, Department of Respiratory Medicine.

The event successfully enhanced awareness and understanding of tuberculosis, emphasizing the importance of collaborative efforts in its diagnosis, management, and control.

Lecture by Prof. Dr. D. Anbarasu

NSS Unit of the Faculty of Allied Health Sciences organized an Awareness Program in commemoration of World Tuberculosis Day for first-year AHS students on 24th March, 2025, at the Maduravoyal campus, Chennai. The event commenced with a welcome address, followed by a guest lecture aimed at educating participants about tuberculosis.
